HIRE INFORMATION

At Chestnut and Fleece we want our products to arrive at your event in the best possible condition. Some of our hire items have delivery restrictions to enable us to maintain them and reduce damage. Our glassware is delivery only. This is to ensure that our stock is not damaged in transit.

These restrictions are in place to maintain our high standards and counter any disappointment that may arise from receiving damaged stock.

Customer collection is available from Hobart or Campbell Town, otherwise delivery from Campbell Town is possible at a rate of \$0.75 per km. We also offer postage which is calculated for each individual client's address.

We charge a \$200 bond that is refundable upon return of undamaged stock. All prices listed are GST inclusive.

Cleaning fees for linens also apply.
